Dear Clarence:

Thank you for sending me the information concerning the above-named individual. This is most helpful and enables us to establish a file which will lead to refusal of future registration attempts.

I would like to know if the legal action has now been completed since it has been approximately three months since we last communicated.

If you can give us any further updates on this situation, this will certainly enable us to complete our file and have all the information necessary for refusing registration anywhere in the country.

Thank you for your help.

Sincerely,

Paul Ernst, Director  
Registration Service

Dear Clarence:

Thank you for your letter of September 8, and the information concerning the above named individual.

I am enclosing a Confidential Record Sheet for you to complete so we can identify Mr. Dillingham should he attempt registration at a later time.

I would like to have the outcome of any legal action when it is completed. This would be helpful in making a strong enough case to refuse registration in any local council.

Let us know if we can be of any help.

Sincerely,
